# Lake of the Woods Strategic Aquaculture Discussion

**Wednesday, October 19, 2022**

**Drum Room**

**6 Manitou Rapids Drive, Emo, ON P0W 1E0**

**October 19<sup>th</sup>**

**9:00 – 3:00**

With the participation of the AKRC, the intention of the Lake of the Woods strategic aquaculture discussion is to listen to the participating First Nation communities related to their goals, and objectives in how a sustainable aquaculture industry could flourish in the area. This can be done by engaging in meaningful conversations and brainstorming sessions where opportunities, benefits, challenges, and constraints can all be considered to identify possible next steps to achieve your sustainable aquaculture goals and objectives. We will also have an opportunity to share details of various Indigenous aquaculture development and operations currently underway in Ontario and neighbouring provinces.

**It's free to attend. Lunch and coffee will be provided.**

**If interested, please contact Sean Pressey at [spressey@waubetek.com](mailto:spressey@waubetek.com).**

**Please RSVP by October 13<sup>th</sup>**
