# Getting Started in Aquaculture and Aquaponics

**Tuesday, October 18, 2022**

**Drum Room**

**6 Manitou Rapids Drive, Emo ON P0W 1E0**

If you're interested in learning how aquaculture can assist with food security, food sovereignty, and/or become an economic driver within your community, we would love to have your participation at this workshop. We will also be discussing the NICFI program, which is a community-based aquaculture program designed to assist Indigenous communities through the development and implementation of their desired aquaculture projects.

**October 18<sup>th</sup>**  
**9:30 – 4:00**

**Learn about:**

**NICFI Program    Ontario & Canadian Aquaculture Industry & Market**

**Aquaculture Regulations    Experimental Lakes Area Overview    Managing Risks**

**Different Types of Aquaculture Technologies (Net-Pen, RAS, Aquaponics, Enhancement)**

**Species Cultured in Ontario**

**And so much more**

**It's free to attend. Lunch, supper, and coffee will be provided.**

**If interested, please contact Sean Pressey at [spressey@waubetek.com](mailto:spressey@waubetek.com)  
by October 13<sup>th</sup> to secure your seat.**
